

ORCA REHAB, INC.

HOLIDAY, PAID TIME-OFF, AND PAID SICK LEAVE POLICY

Approved:	June 18, 2026
Approved By:	ORCA Management
Effective Date:	June 18, 2026
Supersedes:	Any prior holiday, paid time off, or paid sick leave policy

PURPOSE

ORCA Rehab, Inc. recognizes the importance of providing employees and providers with time to observe holidays, spend time with family, attend to personal needs, and maintain work-life balance.

As an inpatient rehabilitation practice, ORCA Rehab also has an ongoing responsibility to maintain continuity of patient care. Patients remain in hospitals, skilled nursing facilities, and other care settings during holidays and continue to require timely evaluation, treatment, coordination, and provider oversight. Because hospitals and patient care facilities do not close on holidays, ORCA Rehab must maintain scheduling flexibility to support patient care, meet facility expectations, and ensure continuity of operations.

This policy outlines holiday observance, paid time off, and paid sick leave guidelines for eligible office staff, hospital-based providers, non-hospital providers, and other eligible employees.

I. RECOGNIZED ORCA HOLIDAYS

ORCA Rehab recognizes the following six paid holidays:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

ORCA Rehab reserves the right to modify recognized holidays, scheduling practices, coverage assignments, or holiday procedures based on operational needs, patient care needs, facility requirements, and applicable law.

II. OFFICE STAFF HOLIDAY POLICY

Eligible full-time office staff are entitled to six (6) paid holidays per calendar year from the recognized holiday list above.

Christmas Eve, New Year's Eve, and the Friday after Thanksgiving are not additional paid holidays. However, office staff may be permitted to work remotely from home on those days, subject to operational needs and management approval.

If a recognized ORCA holiday falls on a Saturday or Sunday, ORCA Rehab may designate an observed holiday for eligible full-time office staff, generally on the preceding Friday or following Monday, subject to operational needs and management approval.

Employees are not eligible to receive duplicate holiday benefits for the same recognized ORCA holiday unless specifically approved by ORCA management.

III. HOSPITAL-BASED PROVIDER HOLIDAY POLICY

Because patient care responsibilities vary by facility, holiday scheduling for hospital-based providers is determined in coordination with each hospital's operational requirements, patient care needs, provider availability, and ORCA leadership direction.

A. Providers Assigned to Providence St. Jude, St. Joseph, and St. Mary

Providers assigned to Providence St. Jude, St. Joseph, and St. Mary are expected to rotate holiday coverage with other providers assigned to the facility. Coverage schedules will be arranged by ORCA leadership in a professional and fair manner to maintain uninterrupted patient care.

If a provider is assigned and provides clinical coverage on a recognized ORCA holiday, ORCA Rehab may grant one (1) equivalent PTO day, subject to scheduling approval, patient care needs, facility coverage needs, and operational requirements.

In addition to the six recognized ORCA holidays listed above, providers who are assigned and provide clinical coverage on Christmas Eve or New Year's Eve may be granted one (1) equivalent PTO day, subject to ORCA Rehab approval and operational needs.

Any equivalent PTO granted under this section may be scheduled and used later in the calendar year, subject to scheduling approval, patient care needs, facility coverage needs, and operational requirements.

B. Providers Assigned to Other Hospital Facilities

This section applies to providers assigned to other hospital facilities, including OC Global, Placentia Linda, and Anaheim Regional Medical Center.

Providers assigned to these hospitals will generally not be required to provide routine holiday coverage but should remain reasonably available in the event of urgent patient matters requiring provider input, coordination, or escalation.

IV. NON-HOSPITAL PROVIDER HOLIDAY POLICY

This section applies to providers assigned to skilled nursing facilities, assisted living facilities, clinics, and other non-hospital settings.

Non hospital providers will generally have their schedules adjusted to accommodate recognized holidays when feasible.

Patient schedules will be coordinated in advance to minimize disruption and allow providers to observe recognized holidays while maintaining appropriate continuity of care.

Providers who are regularly scheduled for administrative work on Wednesdays may have their schedule adjusted during weeks in which a recognized holiday occurs. In those circumstances, providers will generally observe the holiday off and may instead round at their assigned facilities on Wednesday of that week, subject

to operational needs and leadership direction.

Supervisors and scheduling staff will work collaboratively with providers to ensure appropriate patient care continuity and timely communication with facilities.

During holidays, ORCA Rehab's after hours exchange service will manage incoming calls and triage urgent concerns. Providers are expected to remain available for urgent patient matters when necessary.

V. PAID TIME OFF (PTO) AND PAID SICK LEAVE

For purposes of this policy, "full-time employee" means an employee who is regularly scheduled to work the minimum number of hours established by ORCA Rehab for full-time benefit eligibility.

Eligible full-time employees receive eighty (80) hours of paid time off (PTO) per calendar year. PTO is intended for vacation, personal time, scheduled appointments, family needs, rest, and other approved absences from work. PTO accrues over time in accordance with ORCA Rehab's payroll and accrual practices and is not front-loaded unless expressly stated otherwise in writing.

Eligible employees also receive paid sick leave in accordance with applicable California law. Paid sick leave accrues at the rate required by law or at such greater rate as ORCA Rehab may establish. Employees may use paid sick leave for all purposes permitted under applicable law.

Unused paid sick leave may, with prior approval from ORCA Rehab, be converted to PTO at the end of the applicable calendar year. Once converted, such leave shall become accrued PTO and may be carried over subject to the maximum PTO accrual limit. PTO, including any sick leave converted to PTO with ORCA Rehab's approval, may be carried over from year to year. Once an employee's accrued PTO balance reaches one hundred (100) hours, PTO will cease accruing until the balance falls below one hundred (100) hours.

Accrued but unused PTO shall be paid upon separation from employment to the extent required by applicable California law. Paid sick leave that has not been converted to PTO shall not be paid out upon separation except as required by applicable law.

Employees must request planned PTO at least four (4) weeks in advance whenever reasonably possible. All PTO requests are subject to ORCA Rehab's approval and may be approved, denied, modified, postponed, or conditioned based upon staffing requirements, operational needs, patient care needs, provider coverage, facility coverage, scheduling conflicts, pending deadlines, employee role, or other legitimate business considerations. Employees should not make non-refundable travel arrangements until PTO has been approved.

Except with prior written approval from ORCA Rehab, employees generally may not take more than two (2) consecutive weeks of PTO, personal leave, approved sick leave, or any combination thereof.

Employees requesting sick leave should provide reasonable advance notice when the need for leave is foreseeable and, when unforeseeable, shall notify ORCA Rehab as soon as reasonably practicable while complying with the Company's normal attendance and call-out procedures, except where prohibited by law.

ORCA Rehab reserves the right to interpret, administer, amend, suspend, or modify its PTO and paid sick leave policies, including accrual rates, conversion, rollover, approval procedures, maximum accrual limits, documentation requirements, and other administrative provisions, at any time, with or without notice, provided that any such changes comply with applicable federal, state, and local law.

VI. DOCUMENTATION

ORCA Rehab may request reasonable documentation supporting the need for paid sick leave only to the extent permitted by applicable law.

Employees will not be required to disclose private medical information beyond what is legally permitted and reasonably necessary.

VII. ABUSE OR MISUSE OF LEAVE

Employees are expected to use PTO, paid sick leave, and holiday benefits honestly and appropriately. Misuse of PTO, paid sick leave, holiday time, falsification of reasons for leave, failure to follow notice procedures, or abuse of leave may result in corrective action, up to and including termination, consistent with applicable law.

ORCA Rehab will not discipline or retaliate against an employee for properly requesting or using paid sick leave or protected leave in accordance with applicable law.

VIII. NO RETALIATION

ORCA Rehab prohibits retaliation, discrimination, discipline, or adverse action against any employee for properly requesting, using, or attempting to use paid sick leave or other protected leave in accordance with applicable law.

Employees should report any concern regarding retaliation or interference with protected leave rights to ORCA Rehab leadership or the designated HR contact.

IX. COORDINATION WITH OTHER LEAVE LAWS

PTO and paid sick leave may run concurrently with other legally protected leaves where permitted by law. ORCA Rehab will comply with all applicable federal, state, and local leave laws.

If any local, state, or federal law provides greater rights or benefits than this policy, ORCA Rehab will comply with the applicable legal requirement.

X. OPERATIONAL NEEDS AND POLICY ADMINISTRATION

ORCA Rehab reserves the right to modify schedules, holiday assignments, staffing requirements, provider coverage expectations, facility assignments, rounding schedules, PTO approvals, leave procedures, and other operational requirements based on patient care demands, operational needs, staffing availability, facility expectations, and applicable law.

Any approved holiday time off beyond the provisions outlined in this policy may require the use of accrued PTO, vacation time, or unpaid leave, subject to management approval.

ORCA Rehab retains discretion to interpret, administer, and implement this policy, consistent with applicable law.

XI. POLICY CHANGES

This policy is intended as a guideline only and does not create a contract of employment or guarantee any particular benefit. ORCA Rehab reserves the right to modify, amend, suspend, or discontinue this policy at any time, with or without notice, subject to applicable law. Nothing in this policy alters the at-will employment relationship between ORCA Rehab and its employees.

EMPLOYEE ACKNOWLEDGMENT

I acknowledge that I have received and reviewed the ORCA Rehab, Inc. Holiday, Paid Time Off, and Paid Sick Leave Policy. I understand that this policy may be modified from time to time, subject to applicable law, and that this policy does not alter the at will employment relationship.

I further acknowledge that this policy is intended solely as a guideline, does not constitute a contract of employment, and may be modified, amended, suspended, or discontinued by ORCA Rehab at any time, subject to applicable law.
